Subject: NRC website for both the Powertech Dewey Burdock Environmental Report and Technical Report

---

Hi Annette,  
Please forward this email to Greg. My versions of the Technical and Environmental Reports are too big to attach to an email, but here is the link to the NRC website where both reports can be found, along with Appendices and Plates.

<http://pbadupws.nrc.gov/docs/ML0928/ML092870160.html>

The Technical Report files are not quite halfway down the web page and the Environmental Report files are closer to the bottom of the page.
